

Agreement
On the Transfer of Human Cells and/or Tissues upon Termination of the
Activities

between

Stichting Cryo-Save
Piet Heinstraat 11
NL-7204 JN Zutphen
THE NETHERLANDS

hereafter referred to as **Cryo-Save**, and

Output Pharma Services GmbH
Kaiserstrasse 100 (TPH 1)
52134 Herzogenrath
GERMANY

hereafter referred to as **Output Pharma**

Both Cryo-Save, licensed as a tissue establishment, and Output Pharma, authorised for the storage of stem cell preparations, in accordance with local applicable law, transposed from the European Human Cells and Tissue Directives 2004/23/EC, 2006/17/EC and 2006/86/EC, ensure that, in the event of termination of activities for whatever reason, by one party, stored stem cell preparations shall be transferred to the other party, without prejudice to applicable legislation concerning the disposal of donated tissues or cells according to the consent pertaining to them, and in accordance with standard operation procedures established between both parties.

The contract which became effective as of August 30th, 2010, and was entered for a period of one year, and renewable thereafter for periods of one year, unless terminated by one of the parties, has herewith been changed and is effective for an undetermined period, effective with the signatures of the parties. Parties maintain the right to cancellation without a notice period if the Competent Authorities prohibit the implementation of this Agreement in whole or in part.
